

# BASIC EDUCATION: A COMBINATION OF TEACHING AND FOSTERING.

1  
IN BASIC SCHOOL,  
PEOPLE LEARN  
AND TEACH  
KNOWLEDGE AND  
SKILLS WITHIN A  
COMMUNITY.

2  
THE COMMUNAL  
ASPECT OF  
LEARNING IS A  
FOSTERING  
METHOD.

3  
**TEACHING IS  
FOSTERING**  
LEARNING WITHIN A  
COMMUNITY HELPS  
STUDENTS DEVELOP INTO  
ACTIVE MEMBERS OF  
SOCIETY.  
TEACHING KNOWLEDGE AND  
SKILLS IS PART OF  
FOSTERING.  
THE ABILITY TO FUNCTION  
WITHIN A COMMUNITY ALSO  
NEEDS TO BE LEARNED, AND  
TEACHING THIS SKILL IS  
PART OF THE FOSTERING  
PROCESS.

4  
**FOSTERING IS  
A PART OF TEACHING.**  
FOSTERING IS NECESSARY  
FOR LEARNING THE  
KNOWLEDGE AND SKILLS  
REQUIRED  
FOR LIFE.  
EDUCATION FOR BECOMING  
A MEMBER OF SOCIETY  
TAKES PLACE WITHIN THE  
SCHOOL COMMUNITY.  
**SCHOOLS ARE AN INTEGRAL  
PART OF SOCIETY.**
